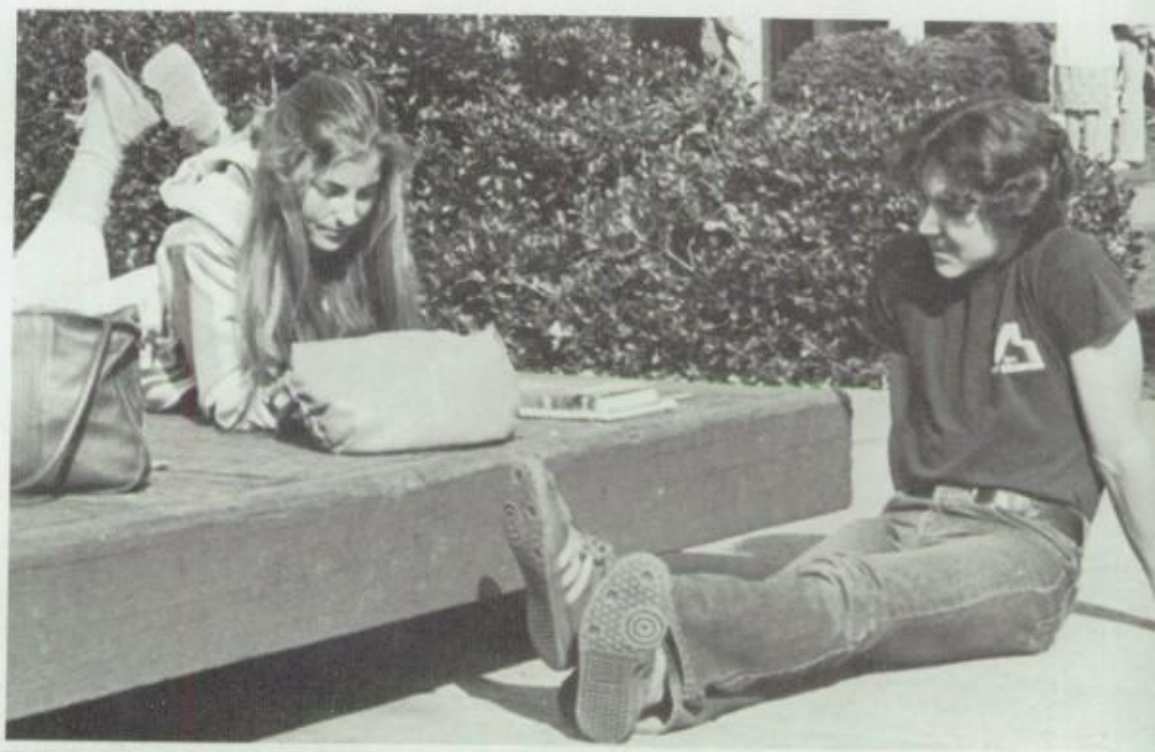
Love Mae

Here we are together you and me.

Everyone is near . . .

I feel so happy inside to be with people that I love.

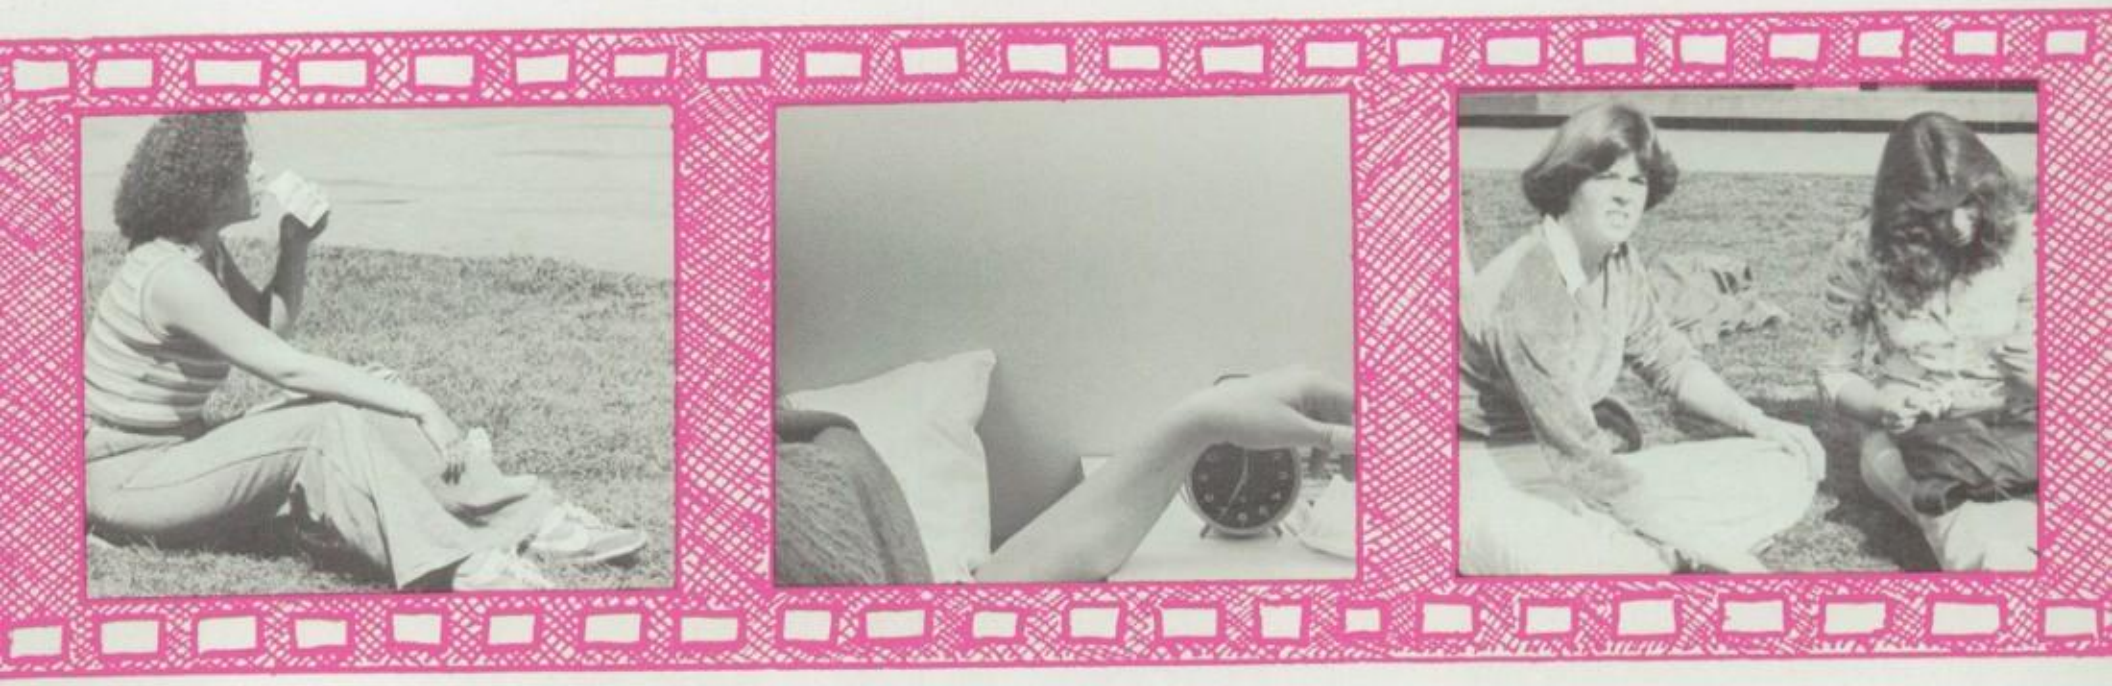
So much room to grow . . .



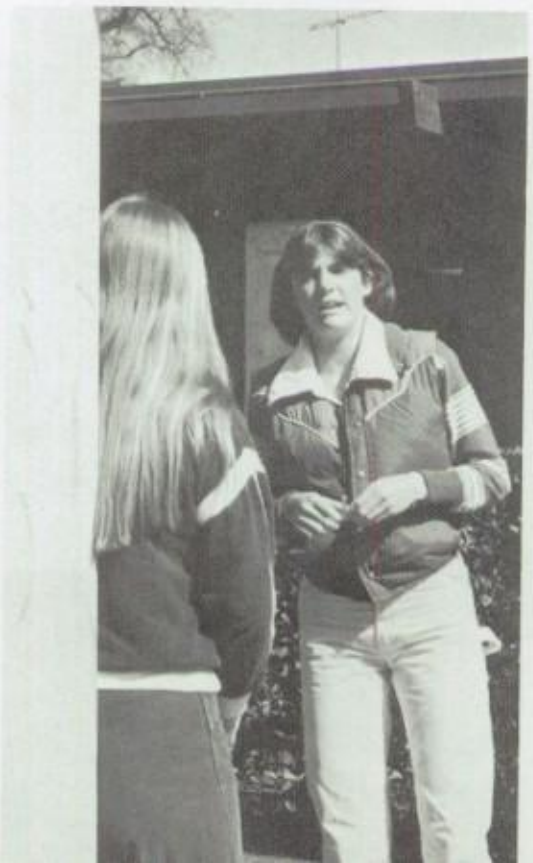
Now that we're trying to make it something special.

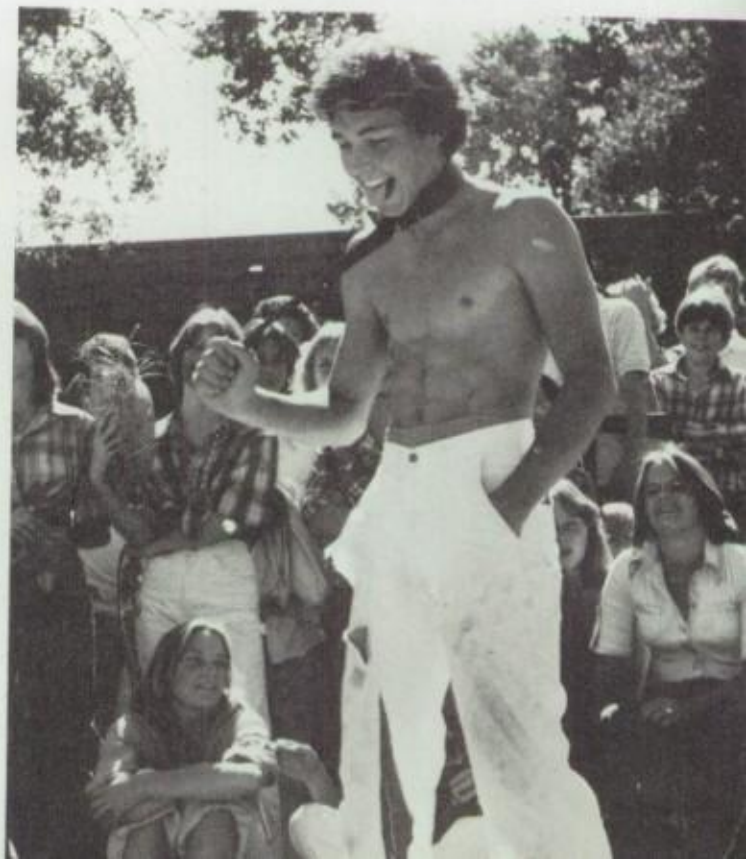
We're on our way . . .

Starting today.



No matter what we have to do . . .



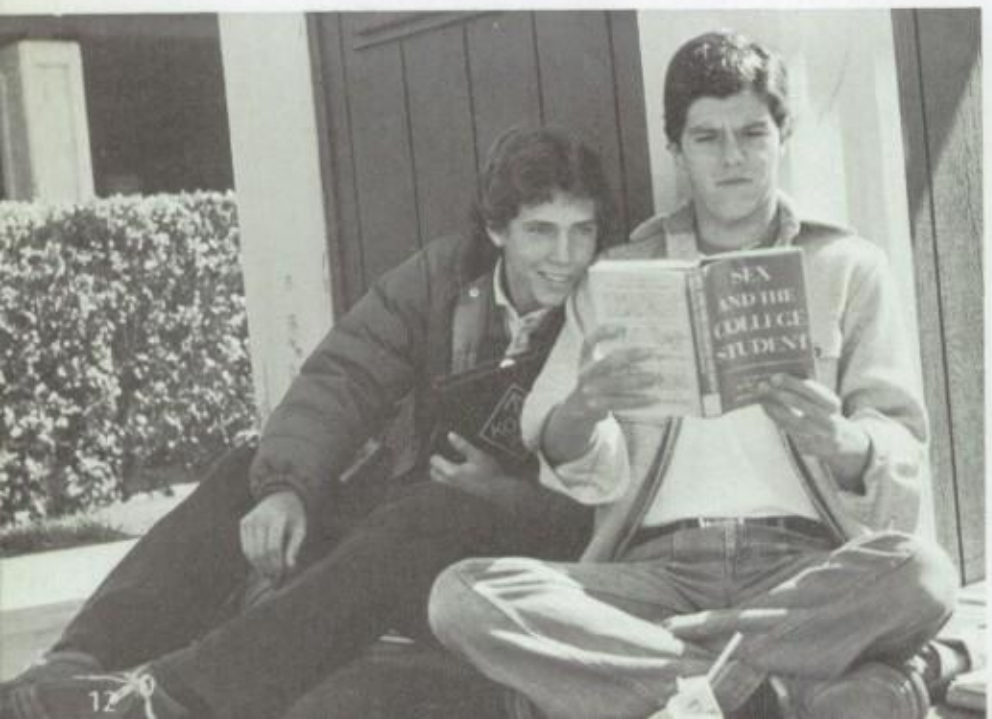


Count on me to try.

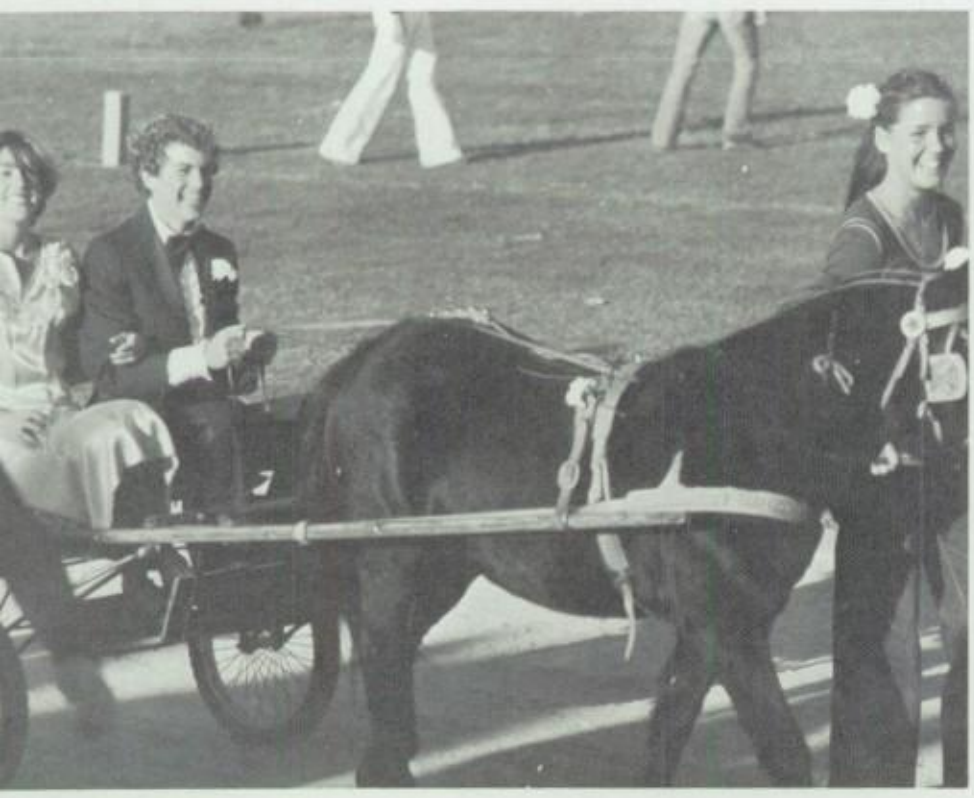
I'm standing right beside you . . .

In everything and everyway.

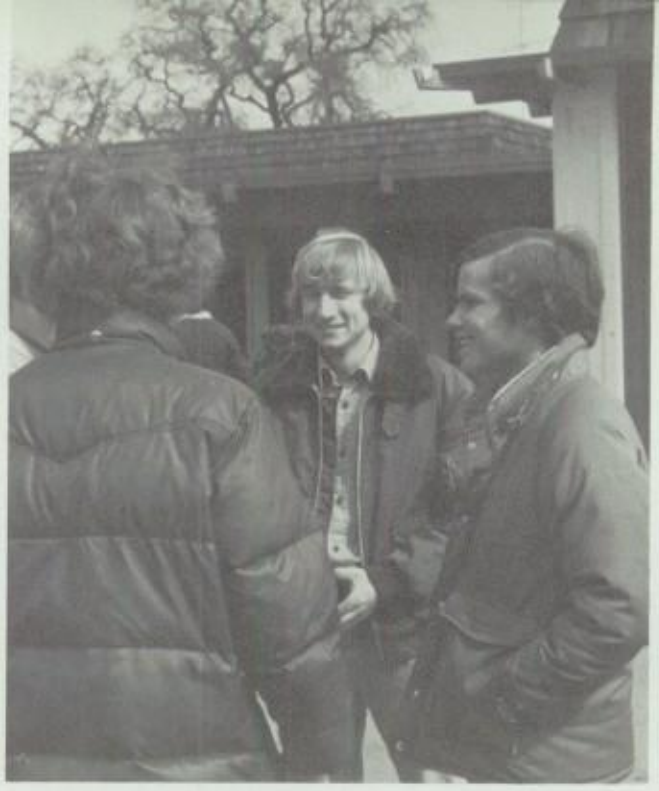
Ready now, to learn now good it feels . .

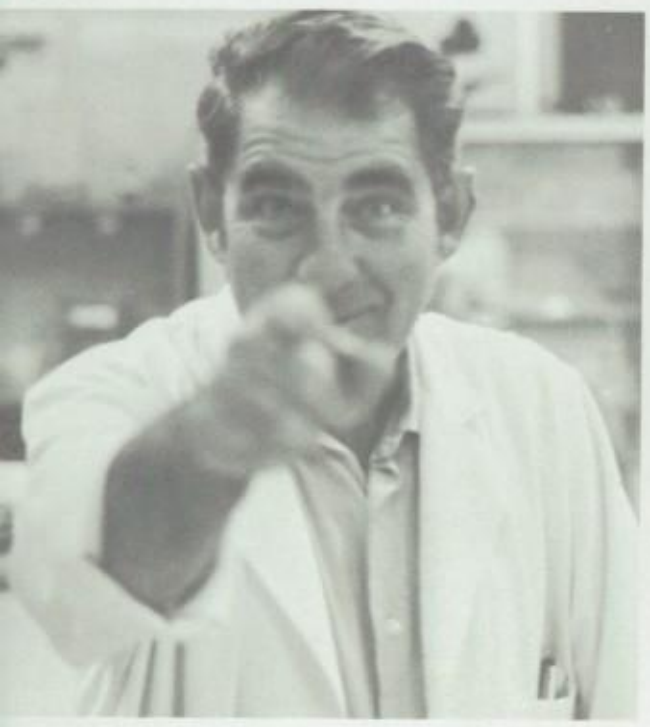


When you make it something special.

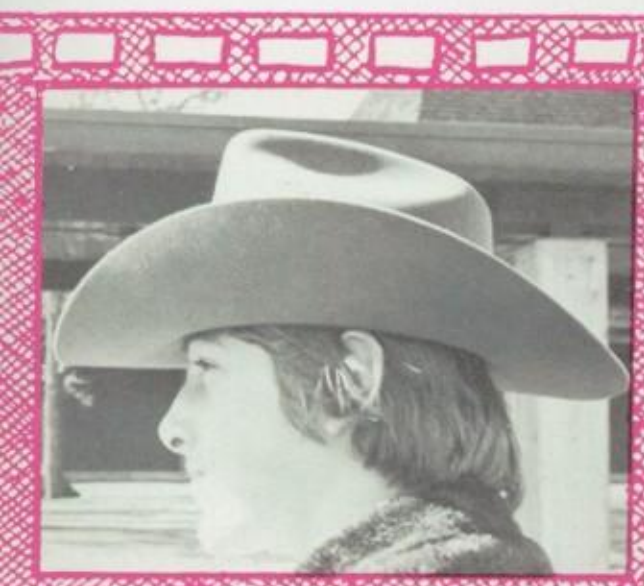


It feels so fine . . .





Don't you think it's time,

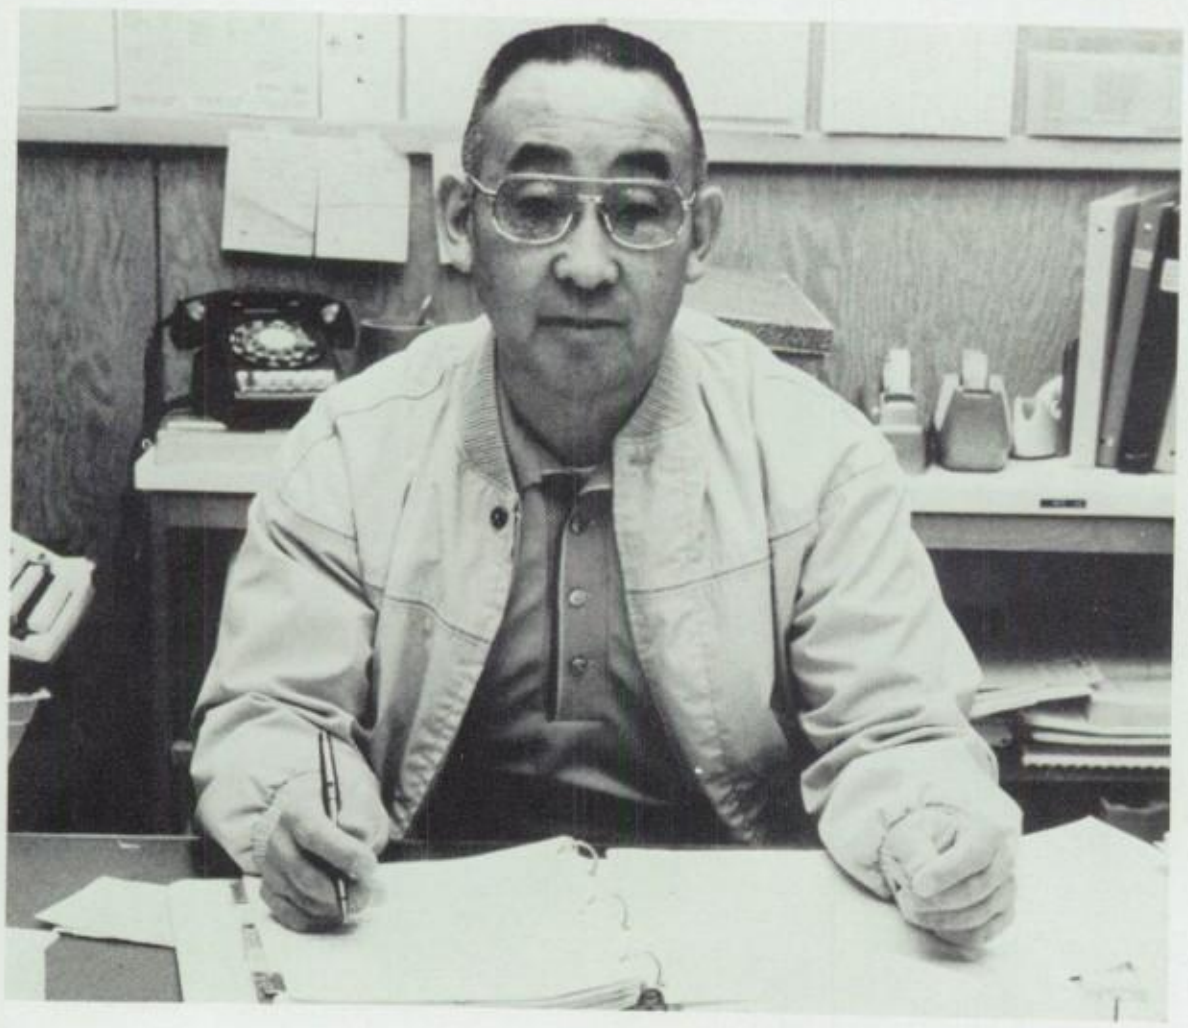


To Make It Something Special?

Thanks to Peter Derge for permitting us to use the lyrics to his song, **Something Special** on pages 1-16.

It has been said that a student is very lucky if he encounters half a dozen great teachers in his educational career. If you have met John Smeltzer and Pete Ida, you have met two of the greatest. Pete will get you on the road with his tremendous organization and coordination in the . . .

We Love You John And Pete . . .



Driver's Ed. and Driver's Training program, and John will keep you rolling with his superior knowledge of the automobile. Their combined service to Gunn High School's students has spanned nearly three decades; hundreds of students are forever indebted to these great men and thus we start by dedicating the 1979 Olympian to you both.

Trinka Knapp completes her second year of service with the **Olympian** when the 1979 edition goes to press. During those years she has contributed outstanding work in many areas of yearbook production — photography, layout, ad sales, long hours in the darkroom to name a few — while holding down a job outside school hours and compiling a fine academic record. In the eyes of many of her fellow staff members, however, her most welcome contribution was her unfailing cheerfulness and positive attitude in the face of many setbacks and difficulties. All who read the 1979 **Olympian** owe Trinka a debt of thanks for helping making it a reality. It was truly well done, Trinka.

Sine Qua Non

Liz Newman, though a first year **Olympian** staff member, has distinguished herself through her incredible effort as a photographer, darkroom magician, and ad sales person par excellence. In sheer hours spent on the job, both during school hours as well as holidays, weekends, and evenings, few staff members put forth anywhere near as much effort. It has become a cliche when describing outstanding yearbook workers to say that no book would have been possible without their efforts, but in Liz's case it is no cliche. All Gunn students owe thanks for the many sacrifices Liz has made in order to bring the '79 **Oly** to them.

Mike Weir really began work on the **1979 Olympian** last year when he began organizing the advertising program which has proven so successful this year. We once believed that advertising sales that grossed $1,000 was the impossible dream, but under Mike's leadership (and that of a great advertising staff), the **Oly** staff realized that dream three-fold plus and set a record that will be hard to beat — more than $3,000 in gross sales. Mike, too, sacrificed a great deal of his free time and energy in setting up advertising photo sessions, doing layout, and in selling ads himself. Our thanks.

Trinka Knapp, Liz Newman, and Mike Weir, by virtue of superior achievement, share equal honors as Editors-in-Chief.

My Key — Lynn.
Each and everyday I sit here;
thinking, not knowing what to do.
Why? Pretending, Holding back.
All this love I have for her.
Why do I hold back this love;
this feeling.
Cuz I am a black who needs
sand.
Now where do I go while she
is with this other man.
She's my key to paradise.
For without her, here is where
I shall lie and if this man
should leave her, hurt her.
I won't.
So tell her to come,
I'll be waiting by.

... see ya later

I will always remember the good tradition of Gunn Parties!

School really starts after high school.

Six words can sum up 4 years of high school:

Party

skiing

Buick

wrestling

Coors & Pot

During my time at Gunn, I have had a lot of pain and pleasure. Mostly work however in doing homework and playing football. And I am sure life will consist of more work after graduation. But far and away the best prize that life offers is the chance to work hard at work worth doing.

Future plans include going to a military school, getting an engineering degree, playing college football, and getting a commission as a 2nd Lieutenant in the U.S.M.C.

They opened our doors,

come from the past.
Thanks for the bond

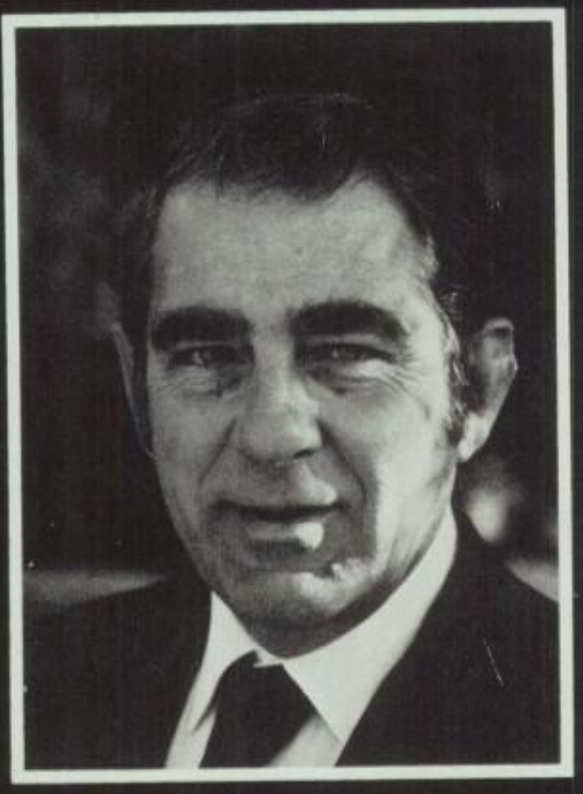
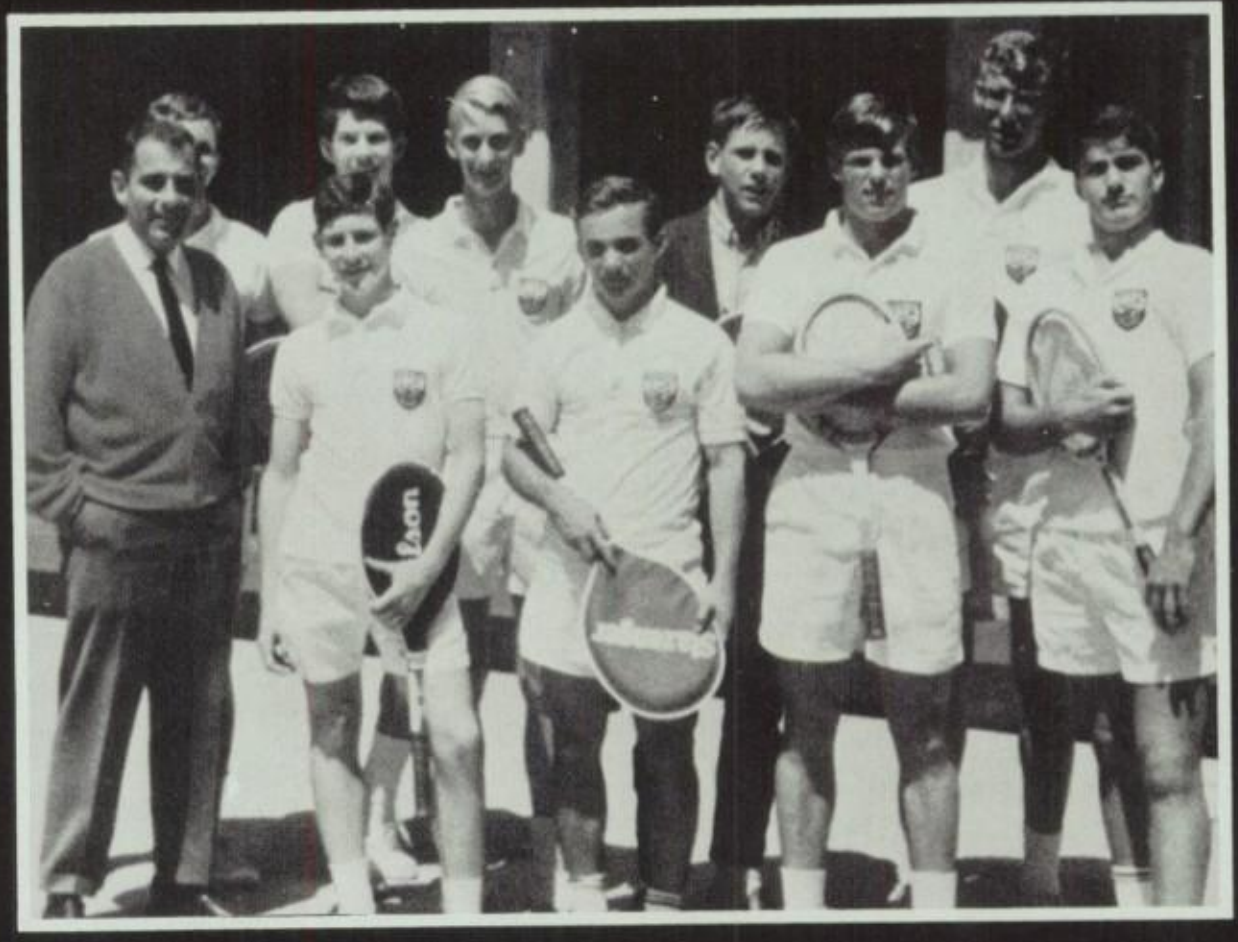
Coach Bob Anderson,
1964-1968





It began way back . . .

Gunn's enviable reputation as a tennis power did not emerge full-grown when we first became a high school. Rather it came about and flowered into a national record because many people — coaches, players, and parents alike — cared for and carefully nurtured that growth. These pages, though inadequate, are dedicated to all who cared and keep on caring. Well done, Gentlemen.

. . and we keep right on counting . .

Coach Bob Bow, 1979

We'll miss you, Kipp, Jay, and Tom.

and counting . . .

An era which began in the late 60's continues and keeps growing. Best of future success. May your record remain intact.

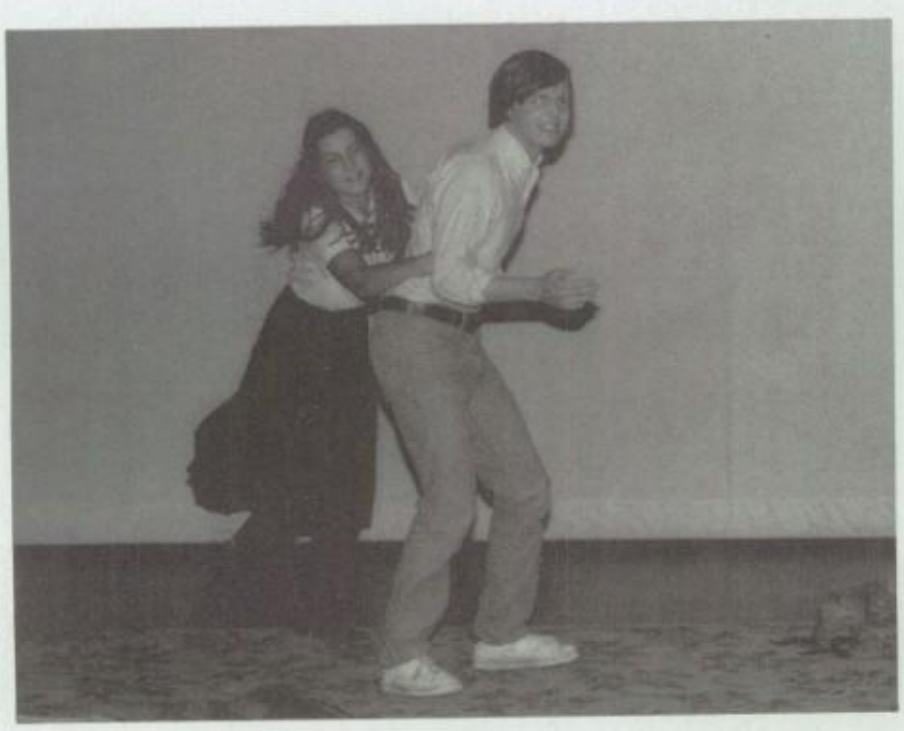
Gunn Theatre Dept. Presents:

Agatha Christie's

THE MOUSETRAP

and

THREE ONE-ACT PLAYS



"LOVERS"

"Lovers" is a touching 3-act play that was adapted for Gunn's one-act night. Bob Welt and Susan Wilson played the two young Irish lovers and David Chrisman and Julia Eisenthal were the narrators.

"VANITIES"

Lauren Lowe, Maureen Colligan and Lori Hintz Starred as the three girls in this shortened 3-act play directed by Liz Rand.

HE DONE HER WRONG

Or: Wedded, But No Wife

...a typical old-fashioned melodrama! Bob Harrison was our hero, Fitzjohn Oliphant and Phil Bostwick was the dastardly Fleetwood Dashaway. Shelah Moss played innocent Hyacinth, Niobe Way was the sly Linette and Debbie Lehman and Carolyn Lamb were the giggling, socialite mother and daughter. Remember carrots, carnations, cracker-jack, Kevin Roe ("our maestro") and director Lisa Granich.

Larry Hawkinson

We're sorry that we did not receive Dr. Hawkinson's picture in time to put it in its proper order.

A friendly smile and a helping hand—that's what Dee Hawkins has brought to Gunn ever since it opened in 1964. The Olympian Staff would like to thank Dee for all the help she's given us over the years. We will all miss her and wish her luck in her future endeavors.

Thanks Dee

Darlene,

Thank you for all your time, guidance, and especially the patience that you have put forth in helping us become responsible young adults.
We'll miss you.

ORACLE STAFF SUCCEEDS

This year's Oracle staff deserves a special commendation for their fine journalistic contributions to Gunn. Boosted by Ms. Carol Jones and editors Geoff Gibbs and Alan Eagle, the Oracle produced many memorable articles. Their innovative and provocative stories proved of great interest to all of Gunn. Congratulations for an outstanding job well done!

Although everyone on the Yearbook Staff worked hard, each section chose one person who they felt deserved special credit for their unfailing enthusiasm and willingness to work.

An extra special thanks goes to Laurie for her incredible talent, time and willingness to donate both.

Eve also deserves recognition for her patience in dealing with the often times difficult customers she encountered.

We couldn't have done it without you all . . .

Thanks!

One thing a yearbook never has enough of is money, and constantly rising prices mean that what funds you have buy less each year. **Olympian** staffers have developed a tradition of providing a large portion of the necessary cash through superior advertising sales, and this year's campaign set a record. Each person named has sold $100 or more in ads. Well done!

Guests, birthdays, celebrations? Just for fun come to The Old Mill!

Between El Camino and 101 on San Antonio at California St., Mt. View
Tues-Sat 10-9:30 • Sun 12-5 • Mon 10-6 • Entertainment til 2 a.m.

When guests arrive, show them the sights, then just for fun head for The Old Mill. It's like no other shopping center in the world with its magnificent mill wheel, sparkling water and colorful Koi fish. Surrounding the gardens are dozens of unusual shops, fine restaurants and great entertainment.

When it's birthday time for the youngsters, try ice cream sodas and the movies here; there's a good selection at our Six Theaters.

And when an anniversary or special occasion suggests a night out, come have a romantic evening where you'll enjoy dinner and dancing 'til early in the morning. The Old Mill is charming, a place to return to again and again ... just for fun!

Thanks! . . .

Uncle Al Penley deserves more recognition than he ever seems to get. With a class of over thirty students (and thirty mouths!) making decisions and producing a yearbook would be more than some teachers could handle. . . He did it - and we thank him.

Although Karen Moffeit didn't receive an official title on the yearbook staff, she contributed many hours and lots of enthusiasm to our yearbook. We owe her a lot. Thanks, Karen.

Special thanks to Stephanie Brugler and the Cuberley Yearbook Staff for lending us materials when we were in a bind. . . we couldn't have made it without their help.

-The Oly Staff-

Sam,

Try not to forget all your math this summer. I'll allow you to forget the formulas, but you'll never know when you'll need to know the rest this summer.

I'm so jealous of you, you have to drive me around this ~~ct~~ summer. It's been fun watching you and Murray wobble.

Take care!!

Keep on smilin'.

Love Rachel
